Since the KEMA PCTC is an approved UCAIug Level A Tester of IEC 61850 devices, the audit included an on-site visit with testing staff interviews, check of testing quality assurance manuals, and reviews of the details of several actual device tests. The UCAIug will maintain an internal complete record and report of the KEMA audit.

The KEMA PCTC is an accredited IEC 61850 tester in accordance with: *Test Center Accreditation and Recognition Procedure for IEC 61850 Device Testing*, UCAIug Testing SubCommittee:
